

AHA-I4MF INCUBATION CENTER

A Collaborative Initiative between the Academy of Hospital Administration (AHA) and i4 Mentors Foundation to foster Healthcare Innovation.

Monthly Open Mentoring

Join our fixed monthly sessions for innovators, researchers, and professionals.

 2nd Saturday of every Month

 3:00 PM – 4:00 PM (IST)

 Virtual / Online

[Register for Next Session](#)

Our Objectives & Goals

Empower Innovation

Nurturing ideas within the AHA network to scale and become commercially viable healthcare solutions.

Year 1 Goal

We aim to support 100+ ideas and successfully commercialize at least one major innovation in the first year.

Patient Impact

Improving patient care and creating wealth for members by solving real-world clinical and administrative problems.

Program Structure

The HUB (Central)

- Virtual Incubation Management
- Technical & Business Mentoring
- Regulatory & Funding Support
- Horizontal services (IP, Marketing)

The SPOKES (INV8-Cells)

Each AHA member institute/hospital is encouraged to set up an **INV8-Cell** to:

- Conduct local Ideation Contests
- Organize Hackathons & Networking
- Validate local startup ideas

Investment & Support Fees

| Category | Virtual Incubation (Monthly) | Business Development Support |
|--------------------|------------------------------|------------------------------|
| AHA Members | ₹ 2,000 | 10% of Revenue Generated |
| Non-Members | ₹ 3,000 | 12% of Revenue Generated |

*Note: The program focus is on scalable ideas. Physical space and direct startup investment are currently excluded.
