Dear AHA Members and Innovators

We are pleased to announce the launch of the 2nd Edition of the **Healthcare Innovation Contest** in collaboration with the **i4 Mentors Foundation.**

Aim To foster a culture of creativity and impactful problem-solving within the healthcare sector.

Opportunity By participating, you will have the platform not only to showcase your breakthrough ideas but also to connect with leading mentors and industry experts who can support your journey from prototype to market-ready solution.

Submissions We encourage submissions that demonstrate measurable impact, originality, and strong potential for scalability.
Please do the following when submitting:

- Provide preferably clear evidence of the solution's effectiveness and the problem it addresses.
- Highlight any measurable outcomes or testimonials from users.
- Ensure all entries include comprehensive documentation and supporting data
- Illustrate the value of your innovation to healthcare.

Focus Areas Your solution may address ***patient care, clinical workflows, healthcare technology, diagnostics, point of care, home care, remote care or any other critical area of healthcare***

Benefits

- Gives you a chance to gain valuable exposure, receive expert feedback, and accelerate your innovation journey.
- Take part and you join a vibrant community dedicated to advancing healthcare and making meaningful change.
- Get awarded for selected innovations by AHA – i4MF and
- Get shortlisted for **AHA-i4MF Incubation Program** and be mentored through a large pool of Industry leaders and partnerships of i4MF with multiple incubators at academic institutions like IIT Delhi, IIM Bangalore, IIIT Delhi, and NSUT Delhi.
